

bizStrap offers both a website theme and admin theme. The bizStrap website theme is currently offered in both Twitter Bootstrap Version 3 framework and the Twitter Bootstrap Version 2.3 framework.

- The website theme for Twitter Bootstrap 3 framework is located in the **Theme-Bootstrap3** folder
- The website theme for Twitter Bootstrap 2.3 framework is located in the **Theme-Bootstrap2x** folder

The bizStrap admin theme is currently only offered for the Twitter Bootstrap Version 2.3 framework. Plans to offer a bizStrap admin theme in the Twitter Bootstrap Version 3 framework are currently in the works. All customers who have purchased bizStrap will receive a notification of this update, and will have the opportunity to download it free of charge.

- The admin theme for Twitter Bootstrap 2.3 framework is located in the **Admin-Bootstrap2x** folder
